2023 Directory of Federal Medical Treatment Facilities

Publishes: December 2022

The Directory is an up to date, comprehensive listing of approximately 1,800 federal medical centers and outpatient clinics with address, telephone number, facility statistics and key medical personnel. Includes all facilities operated by:

- Department of Veterans Affairs
- Military Health System
  - U.S. Army
  - U.S. Navy
  - U.S. Air Force
  - U.S. Marine Corps
- U.S. Public Health Service
- Indian Health Service

Distribution
The print edition of Directory is included with the December 2022 issue of U.S. Medicine to 35,000 federal physicians, pharmacists, nurse practitioners, physician assistants and key medical administrators. An electronic version of the Directory is available throughout the year on the U.S. Medicine website: www.usmedicine.com

About the Cover: 1940 5¢ Walter Reed stamp
Famous Americans Series – Scientists

Walter Reed was a U.S. Army pathologist and bacteriologist who led the 1901 experiments that proved that yellow fever is transmitted by the bite of a mosquito. The Walter Reed National Military Medical Center is named in his honor.
